Priority on the Course

In the absence of special rules, two ball matches should have precedence of and be entitled to pass any three or four ball match.

A single player has no standing and should give way to a match of any kind.

Any match playing a whole round is entitled to pass a match playing a shorter round.

If a match fails to keep its place on the course and loses more than one clear hole on the players in front, it should allow the match following to pass.

In the case of a lost ball, the match following should be called through without delay.

Men's Rules of Competition 2017

Regarding men's competitions held in Dunmore East Golf Club the following should be noted:

- 1. To be eligible for any prize, membership must be paid or an agreed payment plan in place.
- 2. To be eligible for President's Prize, a competitor must have submitted three cards from previous **18 Hole qualifying competitions** held in the club in the twelve months up to the last Sunday in April of the current year.
- 3. To be eligible for Captain's Prize, a competitor must have submitted three cards from previous **18 Hole qualifying competitions** held in the club during 2017.
- 4. It is the responsibility of each member to maintain his own handicap. (See Rule 20.11 of the UHS) i.e. to adjust his handicap immediately and to inform the handicap Secretary accordingly.
- 5. There is a Club rule that competitors return their card at the end of every 18 Hole Competition. **A player who fails to return his card will be issued with a warning, constant infringement will lead to further action, which may involve suspension of handicap.**
- 6. Any changes made on the scorecard must be initialled by the marker.
- 7. To be eligible for selection to represent the club in GUI team competitions (i.e. Jimmy Bruen etc.) during 2017, four cards from GUI recognised competitions played in the previous twelve months up to 01/11/16 are required to be returned to the club.
- 8. If a member puts his name on a timesheet for a competition, it is expected that he will be present at the allotted time. As a courtesy to fellow members, please give ample notice if you cannot attend. **Failure to attend will lead to a verbal warning, constant infringement will lead to sanctions being imposed on the player.**
- 9. In a sponsored competition, a member who has won a prize must attend the prize giving to collect his prize. **Please note that the onus is on the competitor to check if he has won a prize – the club should not have to contact him.** Under special circumstances he may nominate another club member to collect his prize (not a committee member or member of staff).
- 10. Before the competition, please check the notice board in the clubhouse reception for any new information or local rules.
- 11. Please check in at clubhouse reception at least 15 minutes before your tee time. Also always check into clubhouse reception prior to commencing any round of golf.
- 12. BEFORE PLAY
 - - (a) Competitors must enter names in book or computer
 - (b) Entry fee must be paid.
- 13. Five day member is not eligible to win first prize in any singles club competition
- 14. To maintain your handicap a member must have submitted three cards from 18 Hole competitions held in the club during 2016.

Ladies Rules of Competition 2017

The decision of the Committee in relation to any matter arising in regard to the competition shall be final.

6 Players constitute a competition.

BEFORE PLAY

Competitors must enter names & fee amount in the book.

Entry fee must be paid.

Cards must be completed correctly i.e. name, date, handicap, player's signature, marker's signature etc & returned to box once round is completed.

As each member is responsible for her own handicap, please ensure correct handicap is on card.

Only paid up members are entitled to win a prize. An associate or student member paying a reduced fee is not entitled to win first prize in any major competition.

Please use player's name (not 'Partner') when completing time sheet. Please inform your marker(s) and opponents of any alteration or cancellation on time sheet.

Always go into Clubhouse before playing, as local rules may change from day to day and these will be posted in Clubhouse.

Agreement to waive rules, incurs a penalty of disqualification of both players.

Your handicap is your responsibility. It is up to each player to ensure that she plays off correct handicap. **Penalty:** Disqualification from competition.

Cleaning Ball: A ball may not be cleaned unless it is on the green. It can then be marked and lifted. It cannot be cleaned at any other time unless local rules permit cleaning & placing as in winter golf etc.

Always rake bunkers after you. Replace divots and repair pitch marks.

Slow Play: When going on the green, leave your caddy car at the side of green nearest the next tee as this speeds up play.

Player who has the honour on the tee should drive before marking the card.

3 Card Rule: To be eligible to win any of the major prizes i.e. Lady Captain's Prize, Lady President's Prize, Captain's Prize to the Ladies or President's Prize to the Ladies, you must be a full member of the club for 12 calendar months and must have submitted 3 cards from Ladies qualifying 18 hole competitions on this course.

Golfer of the Year: There are 21 Golfer of the Year Competitions. To be eligible to win you must play in a minimum of 10 Golfer of the Year Competitions.
